

1 S.202

2 Senator Watson moves that the Senate concur in the House proposal of
3 amendment with further proposal of amendment as follows:

4 First: In Sec. 2, 30 V.S.A. § 256, by striking out subsection (g) in its
5 entirety and inserting in lieu thereof a new subsection (g) to read as follows:

6 (g) A tenant shall provide at least 10 days' notice to the landlord of the
7 tenant's intent to install a plug-in photovoltaic device in compliance with
8 subsection (a) of this section in the building. The landlord shall respond within
9 10 days with any reasonable restrictions on the installation of the device,
10 including requiring the tenant to pay for any required electrical work and
11 hiring a licensed electrician to do the work. If the landlord does not respond
12 within 10 days, the tenant may proceed with installation. A tenant shall not
13 perform or hire someone to perform electrical work on the premises for the
14 installation of a plug-in photovoltaic device without the landlord's permission.
15 A landlord shall not be compelled to perform or pay for electrical work on the
16 premises to allow for the installation of a plug-in photovoltaic device.

17 Second: In Sec. 5, 9 V.S.A. § 2795, in subsection (a), by striking out
18 subdivision (6) in its entirety and inserting in lieu thereof a new subdivision (6)
19 to read as follows:

20 (6) In the rules, the Commissioner shall adopt minimum efficiency and
21 water conservation standards for each product that is subject to a standard

1 under 10 C.F.R. §§ 430 and 431 as those provisions existed on January 19,
2 ~~2017~~ 2025 and amended in a final rule entitled “Energy Conservation Program:
3 Energy Conservation Standards for Expanded Scope Electric Motors” signed
4 on January 8, 2025, excluding any motor incorporated into a product to which
5 a federal energy conservation standard applies under 10 C.F.R. § 430 or 431.

6 The minimum standard and the testing protocol for each product shall be the
7 same as adopted in those sections of the Code of Federal Regulations, except
8 that for faucets, showerheads, and urinals, the minimum standard and testing
9 protocol shall be as otherwise set forth in this section.
