10 V.S.A. § 6001(3)	<p>10 V.S.A. § 6001(3) is amended to read:</p> <p>(3)(A) “Development” means each of the following:</p> <p style="text-align: center;">* * *</p> <p>(xii) The construction of a road or roads and any associated driveways to provide access to or within a tract of land owned or controlled by a person. For the purposes of determining jurisdiction under this subdivision, any new</p>	

development or subdivision on a parcel of land that will be provided access by the road and associated driveways is land involved in the construction of the road.

\* \* \*

(III) For the purpose of determining the length of any road and associated driveways, the length of all other roads and driveways within the tract of land constructed after ~~July 1~~ January 1, 2026 2030, shall be included.

\* \* \*

(D) The word “development” does not include:

\* \* \*

(viii)(I) The construction of a priority housing project in a municipality with a population of 10,000 or more.

\* \* \*

(III) Notwithstanding any other provision of law to the contrary, until January 1, ~~2027~~ 2028, the construction of a priority housing project located entirely within areas of a designated downtown development district, designated neighborhood development area, or a designated growth center or within one-half mile around such designated center with permanent zoning and subdivision bylaws served by public sewer or water services or soils that are adequate for wastewater disposal. For purposes of this subdivision (III), in order for a parcel to qualify for the exemption, at least 51 percent of the parcel shall be located within one-half mile of the designated center boundary. If the one-half mile around the designated center extends into an adjacent municipality, the legislative body of the adjacent ~~municipal~~ municipality may inform the Board that it does not want the exemption to extend into that area. This exemption shall not apply to areas within mapped river corridors and floodplains except those areas containing preexisting development in areas suitable for infill

	<u>development as defined in 29-201 of the Vermont Flood Hazard Area and River Corridor Rule.</u>	
10 V.S.A. § 6001(35)	<p>Sec. 3. 10 V.S.A. § 6001(35) is amended to read:</p> <p>(35) “Priority housing project” means a discrete project located on a single tract or multiple contiguous tracts of land that consists exclusively of mixed income housing or mixed use, or any combination thereof, and is located entirely within designated downtown development district, designated new town center, designated growth center, or designated neighborhood development area under 24 V.S.A. chapter 76A, <u>or within an area mapped and approved by the Board as eligible for Tier 1B area status and is not currently approved for Tier 1B area status under section 6033 of this chapter.</u></p>

Sec. 9. PUBLIC ENGAGEMENT PLAN

(a) On or before January 15, 2027, the State Natural Resources Conservation Council shall contract with the Vermont Council on Rural Development and the Vermont Association of Conservation Districts to develop a report outlining recommendations for a public engagement plan, in consultation with the Land Use Review Board and the Land Access and Opportunity Board. The contractors shall:

(1) ensure the engagement planning process would maintain neutrality on policy and political issues;

(2) utilize neutral facilitation for statewide, democratic public engagement;

(3) ensure alignment with the core principles for community engagement plans developed pursuant to 3 V.S.A. § 6006; and

(4) design the plan to inclusively and meaningfully engage a full range of stakeholders, including Vermont residents and landowners and historically marginalized communities.

(b) The purpose of the public engagement plan would be to gather statewide input from Vermonters to inform the General Assembly on:

(1) the risks of losing working lands, both agricultural and forestland, and critical natural resources not already well protected by current land use policy, permitting programs, or other regulatory tools, including agricultural soils, rare natural communities, forest blocks, habitat connectors of statewide significance, and headwaters; and

(2) equitable, efficient, and effective regulatory or nonregulatory tools to protect these working lands and critical natural resources.

(c) On or before January 15, 2027, the Council shall submit the report with the recommended public engagement plan to the House Committee on Environment and the Senate Committee on Natural Resources and Energy.

(d) In fiscal year 2027, \$30,000.00 is appropriated from the General Fund to the State Natural Resources Conservation Council for the public engagement plan design described in this section.

CHAPTER 32. JOINT LEGISLATIVE  
ENVIRONMENTAL OVERSIGHT COMMITTEE  
§ 1031. CREATION OF COMMITTEE

(a) Creation. There is created the Joint Legislative Environmental Oversight Committee whose membership shall be appointed each biennial session of the General Assembly. The Committee shall exercise oversight over the Land Use Review Board and Agency of Natural Resources permitting processes.

(b) Composition. The Committee shall be composed of five members: three members of the House of Representatives, who shall not all be from the same party, appointed by the Speaker of the House; and two members of the Senate, who shall not all be from the same party, appointed by the Committee on Committees.

(c) Procedure. The Committee shall elect a chair and vice chair from among its members and shall adopt rules of procedure. The Chair shall rotate biennially between the House and the Senate members. The Committee shall keep minutes of its meetings. A quorum shall consist of three members.

(d) Meetings. When the General Assembly is in session, the Committee shall meet at the call of the Chair. The Committee may meet six times per year during adjournment and may meet more often subject to approval of the Speaker of the House and the President Pro Tempore of the Senate.

(e) Compensation. For attendance at a meeting when the General Assembly is not in session, members of the Committee shall be entitled to compensation for services and reimbursement of expenses as provided under subsection 23(a) of this title.

(f) Assistance. The administrative and legal services of the Joint Fiscal Office and the Office of Legislative Counsel shall be available to the Committee.

(g) Duties. The Committee shall meet with the Land Use Review Board to ensure strong communication and coordination regarding the implementation of the statutes amended as part of 2024 Acts and Resolves No. 181, how the permitting process under 10 V.S.A. chapter 151 is

		<p><u>working, and how the new Board structure is working. The Committee shall also meet with the Agency of Natural Resources to learn about Agency efforts to improve and better coordinate its permitting processes and to coordinate efforts for further improvements to the process for applicants and outcomes for Vermonters.</u></p> <p><u>(h) Sunset. The Committee shall cease to exist on July 1, 2029.</u></p>
		<p>Sec. 11. LAND USE REVIEW BOARD REPORTS</p> <p><u>(a) The Land Use Review Board shall deliver reports that collect the data and analyze:</u></p> <p><u>(1) whether and how Act 250 jurisdiction over commercial activities on farms should be revised, including accessory on-farm businesses on or before November 15, 2026;</u></p> <p><u>(2) the effects of Act 250 mitigation actions on primary agricultural soils on or before July 1, 2027; and</u></p> <p><u>(3) the effects of jurisdictional triggers and criterion 9(L) on the development of retail and service businesses outside village centers in addressing sprawl and strip development, and how to improve the effectiveness of criterion 9(L) on or before November 15, 2027.</u></p> <p><u>(b) The Board shall engage relevant stakeholders as part of the development of this report.</u></p> <p><u>(c) The report shall be submitted to the House Committees on Agriculture, Food Resiliency, and Forestry and on Environment and the Senate Committees on Agriculture and on Natural Resources and Energy.</u></p>
