MEMORANDUM

To: General Assembly
From: Senate Sexual Harassment Prevention Panel
Date: December 31, 2022
Subject: 2022 Sexual Harassment Prevention Report

This is the 2022 report to the General Assembly from the Senate Sexual Harassment Prevention Panel (Panel) pursuant to the Vermont Senate Policy for the Prevention of Sexual Harassment (Policy). The Policy requires the House and Senate Panels to annually submit a joint report containing information regarding: the number of informal resolutions attempted by the Panels pursuant to Sec. II.A.2 of the Policy; the number of formal complaints filed with the Panels pursuant to Sec. III of the Policy; and the disposition of the formal complaints. However, the House Policy and Procedure, adopted by the House Sexual Harassment Prevention Panel on April 29, 2022, does not contain a similar requirement for a joint report.¹ As such, information from the House Sexual Harassment Prevention Panel is not included in this report.

Informal Resolutions

The Panel reports that there were no requests for informal resolutions under Sec. II.A.2 of the Policy in 2022.

Formal Complaints

The Panel reports that there were no formal complaints filed under Sec. III of the Policy in 2022.

Member Requests for Advice

The Panel did not receive any member requests for advice on sexual harassment inquiries in 2022.

¹ House Rule 90(c)(9) requires the House Sexual Harassment Prevention Panel to report to the House the number of complaints filed, the disposition of those complaints, and the number of member requests for advice on sexual harassment inquiries.
