

SFY27 Budget Overview for Municipal Assistance Programs Budget
Joel Perrigo, Municipal Assistance Program Manager

**Senate Transportation Committee
– March 19, 2026**

Tab 5F – Park and Ride Program

Budget: \$1,976,211

- Completed Manchester and Sharon expansions, Waterford paving in SFY26 – total network = 2050
- Majority of funding is for construction of Colchester (Exit 17) P&R starting later this year, adds 73 spaces to network
- \$25,000 for development of future park and ride projects
- \$325,000 for preventative maintenance (paving) for existing park and rides
- \$150,000 Municipal park and ride grant program
 - Reestablished in FY22 after a multi-year hiatus.
 - In FY26 funded 2 municipal projects adding approximately 55 spaces
 - 1574 spaces have been created with this program

Tab 5G – Bicycle and Pedestrian Program Budget: \$24,576,874

- Budget supports 59 ongoing projects in 43 different communities currently funded through the BP program, 34 under construction in SFY27
- Annual grant programs
 - Fed funded: 80% fed 20% local
 - Small scale grant program; State funded: 50% state 50% local
- Line items: Bike/Ped Coordinator, Local Motion Bike Ferry, future funding for annual grant programs

2025 VTrans Bicycle and Pedestrian Program/ Carbon Reduction Program Federal Grant Awards			
Project Category - Large Scale Design/Construction			
Applicant	Project description	Total Cost	Federal Award
Essex Town	New shared use path along upper Main Street (VT 15)	\$1,810,000	\$1,448,000
Hartford	Quechee Village sidewalks	\$1,992,450	\$1,593,960
		Total Design/Construction funds	\$3,041,960
Project Category - Large Scale Additional Funding			
Applicant	Project description	Total Cost	Federal Award
Arlington	Sidewalk along VT 7A to recreation park	\$246,600	\$197,280
Chester	Depot Street sidewalks	\$1,135,000	\$908,000
Hinesburg	Sidewalk construction at Charlotte Road intersection	\$68,475	\$54,780
Middlebury	Exchange Street bicycle and pedestrian facilities	\$625,000	\$500,000
Montpelier	Barre Street recreation path	\$204,816	\$163,853
Moretown	Moretown Village sidewalks	\$388,000	\$310,400
Wallingford	School Street sidewalks	\$466,748	\$373,398
		Total Additional Funds	\$2,507,711
Project Category - Scoping			
Applicant	Project description	Total Cost	Federal Award
Jamaica	Village sidewalks	\$60,000	\$48,000
Lunenburg	Lunenburg and Gilman sidewalks	\$60,000	\$48,000
Morristown	Bicycle facilities and lane configurations	\$50,000	\$40,000
Pownal	Town Center bicycle and pedestrian facilities	\$50,000	\$40,000
		Total Scoping Study Funds	\$176,000
	Total Federal Funds Awarded		\$5,725,671

2025 VTrans Bicycle and Pedestrian Small Scale Program State Grant Awards			
Applicant	Project description	Total Cost	State Award
Burlington	Crosswalk Improvements	\$150,000	\$75,000
Morristown	Reconstruct sidewalks along Elmore Road	\$150,000	\$75,000
Royalton	Close gap in sidewalk network	\$50,000	\$25,000
Rutland City	Crosswalk Improvements	\$115,500	\$57,750
Swanton	Upgrade sidewalk along Grand Avenue	\$200,482	\$75,000
	Total Small Scale Funds Awarded		\$307,750

Tab 5H – Transportation Alternatives Budget: \$4,514,362

- Budget supports 51 ongoing projects in 34 different communities currently funded through the TA program, 22 under construction in SFY27
- Annual grant program
 - Fed funded = \$600K grant cap (max raised in FY24) 80% fed, 20% local for PE, ROW and Construction costs related to new project development
- Eligible projects: bike/ped related, rail-trail conversions, turnout/overlooks and viewing areas, community development (historic preservation) and environmental mitigation
- Starting in SFY22, per statute, half of the annual grant appropriation shall be reserved for environmental mitigation projects. The other half shall be preferentially weighted for bike and pedestrian projects.
- IJA doubled the set-aside for the TA program = \$4.3M+

Fiscal Year 2025 Transportation Alternatives (TAP) and Municipal Mitigation (MM) Program Grant Awards							
Proj. Number	Town/Village/City	Description	Type	Location	Federal Funds	Local Match	Total Grant Funding
STP MM 25(01)	Readsboro	Bosley Hill Slope Stabilization	Environmental Mitigation	Bosley Hill Road	\$855,200	\$213,800	\$1,069,000
STP MM 25(02)	Landgrove	Salt Shed	Environmental Mitigation	144 Landgrove Road	\$500,000	\$125,000	\$625,000
TAP TA 25(01)	Putney	Putney Landing Pedestrian Walkway	Bike / Pedestrian	Route 5	\$92,800	\$23,200	\$116,000
TAP TA 25(02)	Burlington	Rose Street/Cedar Street Improvements	Bike / Pedestrian	Rose Street / Cedar Street	\$600,000	\$150,000	\$750,000
TAP TA20(03)	Fairfax	Fairfax Main St Sidewalk Phase 2 (additional Funding)	Bike / Pedestrian	Main St (VT Route 104)	\$227,026	\$56,757	\$283,783
TAP TA 25(03)	Rutland	White Memorial Park Pedestrian Safety Improvements	Bike / Pedestrian	Jackson Avenue and Avenue B	\$339,274	\$84,819	\$424,093
TAP TA 25(04)	South Burlington	Williston Road Sidewalk Segments	Bike / Pedestrian	Williston Road (US Route 2) between Kennedy Dr and Shunpike Rd	\$430,000	\$107,500	\$537,500
TAP TA 25(05)	Swanton	Canada Street Improvements	Bike / Pedestrian	Canada Street @ Grand Avenue	\$600,000	\$150,000	\$750,000
TAP TA16(4) and STP BP17(13)	Wilmington	Wilmington East Main Street (North Side) Sidewalk Project (additional Funding)	Bike / Pedestrian	13-78 East Main Street	\$218,084	\$54,521	\$272,605
TAP TA 25(06)	Bethel	Falcon Drive Stormwater Improvements	Environmental Mitigation	Falcon Drive	\$220,380	\$55,095	\$275,475
TAP TA 25(07)	Glover	Glover VT Salt Shed	Environmental Mitigation	1562 Dry Pond Road	\$211,680	\$52,920	\$264,600
TAP TA 25(08)	Springfield	Plaza Ped. Bridge	Bike / Pedestrian	Pearl St.	\$563,648	\$140,912	\$704,560
TAP TA 25(09)	Cancelled				\$0	\$0	\$0
TAP TA 25(10)	Ludlow	Replace Culvert - "East Hill Rd-25" (B40)	Environmental Mitigation	East Hill Road	\$499,139	\$124,785	\$623,923
TAP TA 25(11)	Springfield	The Commons Park Subsurface Infiltration Chamber	Environmental Mitigation	Summer Hill Street	\$159,411	\$39,853	\$199,264
TAP TA 25(12)	Stratton	Stratton Styles Brook Culvert 14A Replacement Scoping Study	Environmental Mitigation	Stratton Mountain Access Road	\$48,000	\$12,000	\$60,000
TAP TA19(9) and STP MM22(4)	Vergennes	Vergennes Salt Shed (additional Funding)	Environmental Mitigation	West Street	\$14,874	\$3,719	\$18,593
TAP TA 25(13)	Weathersfield	Replace "Green Valley Rd-2" Culvert West Windham Road Cobb Brook	Environmental Mitigation	Green Valley Road	\$449,227	\$112,307	\$561,534
TAP TA 25(14)	Windham	Bank Stabilization	Environmental Mitigation	West Windham Road	\$192,000	\$48,000	\$240,000

Tab 6 – Rest Areas

Budget: \$450,000

- VTrans and Building and General Services (BGS) share responsibility for maintaining the State’s welcome centers and rest areas. BGS is responsible for building operations and general maintenance and VTrans is responsible for snow removal and pavement maintenance at the rest areas.
- Statewide paving line item

Tab 20 – TH Federal Disasters

Budget: \$4,000,000

- Federal Highway Emergency Relief Funding
- Supports emergency response and development and construction of permanent restoration projects on Federal Aid System (FAS) Town Highways
- 39 ongoing projects from past ER events (30 ER, 9 PR)

Tab 21 – Town Highway Aid Program

Budget: \$31,240,042

- General state aid to town highways. Annual appropriation to Class 1, 2, and 3 town highways.
 - Distribution is made quarterly, with no application required.
 - No requirement for local match, other than a requirement that municipalities expend no less than \$300 per mile of local tax revenues on their highways. Planned use of funds must be detailed to State in an annual town plan.
-
- 6% of appropriation: Class 1 town highways
 - 44% of appropriation: Class 2 town highways
 - 50% of appropriation: Class 3 town highways
-
- FY 2026 appropriation: \$30,418,736

Tab 22 – Town Highway Class 1 Supplemental Program

Budget: \$128,750

- Annual appropriation for supplemental aid to municipalities having Class 1 town highways with more than two lanes. Distribution based on the measurement of the additional Class 1 town highways with more than two lanes.

Tab 24 - Municipal Mitigation Assistance Program

Budget: \$6,143,000

- Overall goal of this program is to assist and provide towns with funding to ensure compliance with Municipal Roads General Permit (MRGP) and alignment with the goals of the Clean Water act.

Better Roads - \$1,440,000

- Allocates \$440,000 in Transportation funds for grants to municipalities along with \$1,000,000 from the Clean Water Fund
- Supports implementation projects required by the MRGP (including REI's), in-stream culvert replacements and stream and shoreline stabilization projects

Grants in Aid Program - \$3,000,000

- Clean Water Funds
- This program allocates funding by formula – rather than through a competitive grant program - to municipalities to bring roadway segments covered by the Municipal Roads General Permit into full compliance with the permit.
- In FY26, 237 of 260 municipalities covered by the MRGP received funding

Tab 24 - Municipal Mitigation Assistance Program

Budget: \$6,143,000

Municipal Highway and Stormwater Mitigation Program - \$1,428,000

- Typical projects are stormwater planning and treatment, upsizing of culverts and salt sheds
- All projects in the competitive grant programs are reviewed and evaluated to ensure a strong nexus to water quality benefits. Along with VTrans technical staff (from Municipal Assistance, Stormwater, Hydraulics, Maintenance and Vermont Local Roads), staff from DEC (from the Clean Water Initiative, Stormwater, Lakes and Ponds and Basin Planning) are included in both recommending selection criteria as well as selecting projects that have strong water quality benefits.

VTrans Stormwater Utility Fees - \$275,000

- Pays VTrans' stormwater utility bills to South Burlington, Colchester, Burlington, St. Albans City, and Williston. St. Albans Town and Shelburne

10g Report - Projects Added Subsequent to FY26 (new projects in SFY27)
