

- **Question: How much money has been spent to date on the Pittsford-Brandon US-7 projects?**
 - Based on the billing reports we have, and including all segments and the original scoping study, we have spent \$74.6 Million. This figure does not include estimates to complete unfinished design, ROW acquisitions, or construction activities.
- **Question: How much money has been spent on the Vergennes PEL to date?**
 - \$1.95 Million
- **Question: What was the total project cost for the Smuggler's Notch parking and drainage work?**
 - This work has totaled \$574,941 to date with some future plantings and punch list items yet to be billed. We are expecting on the order of \$585,000 once complete.
