

? 2158. FEES FOR TOWING; PUBLIC PROPERTY; FUNDING

(a) A towing service may charge a fee of up to \$250.00 for towing an abandoned motor vehicle from public property under the provisions of sections 2151–2157 of this subchapter. This fee shall be paid to the towing service upon the issuance by the Department of Motor Vehicles of a certificate of abandoned motor vehicles under section 2156 of this title. The Commissioner of Motor Vehicles shall notify the Commissioner of Finance and Management who shall issue payment to the towing service for vehicles removed from public property. If the Agency of Transportation has a vehicle removed from the State right of way, the Commissioner of Motor Vehicles may issue a check for up to \$250 to the Agency of Transportation upon submission of proof acceptable to the Commissioner that the Agency of Transportation has already paid the towing service for the removal of the vehicle.
