Agency of Transportation

MEMORANDUM

TO: Senate Transportation Committee
FROM: Jayna Morse, Division Director, Administration Division
DATE: January 15, 2026
RE: S.218 Chloride Reduction Bill

AOT cannot accommodate the additional municipal training outlined in S.0218. Although the intent of the bill is something we could support in concept, the Agency would not support anything that requires new positions or funding. It is anticipated that this program would require 1 full-time position and approximately \$200K annually to deliver the training.
