Senate Committee on Agriculture Public Meetings regarding Rural Economy, Agriculture and Forestry

The Senate Committee on Agriculture is holding meetings this fall to gather from the public recommendations for improving the rural economy of the State. Specifically, the Committee on Agriculture requests suggested ways or actions to encourage the growth or increased productivity of Vermont's farming industry, forest product industry and rural businesses.

YOUR INPUT IS VERY IMPORTANT.

The Senate Committee on Agriculture will hold public meetings around the State this fall to hear your comments on this topic. The meetings will be held from 2:00 - 4:00 PM on the following dates and locations:
