The Senate proposed to the House to amend the bill by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 10 V.S.A. § 6602(25) is added to read:

(25) "Compost" means a stable humus-like material produced by the controlled biological decomposition of organic matter through active management, but shall not mean sewage, septage, or materials derived from sewage or septage.

Sec. 2. 10 V.S.A. § 6605h is added to read:

§ 6605h. COMPOSTING REGISTRATION

Notwithstanding sections 6605, 6605f, and 6611 of this title, the secretary may, by rule, authorize a person engaged in the production or management of compost at a small scale composting facility to register with the secretary instead of obtaining a facility certification under section 6605 or 6605c of this title.

Sec. 3. 10 V.S.A. § 6605j is added to read:

§ 6605j. ACCEPTED COMPOSTING PRACTICES

(a) The secretary, in consultation with the secretary of agriculture, food and markets, shall adopt by rule, pursuant to chapter 25 of Title 3, and shall implement and enforce accepted composting practices for the management of composting in the state. These accepted composting practices shall address:

(1) Standards for the construction, alteration, or operation of a composting facility;

(2) Standards for facility operation, including acceptable quantities of product or inputs, vector management, odors, noise, traffic, litter control, contaminant management, operator training and qualifications, recordkeeping, and reporting;

(3) Standards for siting of composting facilities, including siting and operation of compost storage areas, compost bagging areas, and roads and parking areas;

(4) Standards for the composting process, including rotation, management of compost piles, compost pile size, and monitoring of compost operations;

(6) Specified areas of the state unsuitable for the siting of commercial composting that utilizes post-consumer food residuals or animal mortalities, such as designated downtowns, village centers, village growth areas, or areas of existing residential density; and

(7) Definitions of "small-scale composting facility" and "medium-scale composting facility."

(b) A person operating a small scale composting facility or operating a composting facility on a farm who follows the accepted composting practices shall not be required to obtain a discharge permit under section 1263 or 1264 of this title, a solid waste facility certification under chapter 159 of this title, or an air emissions permit under chapter 23 of this title unless a permit is required by federal law or the secretary of natural resources determines that a permit is necessary to protect public health or the environment.

(c) The secretary of natural resources shall coordinate with the secretary of agriculture, food and markets in implementing and enforcing the accepted composting practices. The secretary of agriculture, food and markets and the secretary of natural resources may, after opportunity for public review and comment, develop a memorandum of understanding for implementation and enforcement of the accepted composting practices.

The house committee on fish, wildlife and

water resources, the senate committee on natural resources and energy, and the house and senate committees on agriculture shall review the proposed final rules and shall recommend whether the proposed final rules should be amended or whether the proposed final rules should be filed with the secretary of state and the legislative committee on administrative rules under section 841 of Title 3. If the general assembly is not in session when the agency of natural resources is prepared to file a final proposal of rules addressing accepted composting practices, the agency may submit the proposed rules to the secretary of the senate, the clerk of the house, and the chairs of the house committee on fish, wildlife and water resources, the senate committee on natural resources and energy, and the house and senate committees on agriculture.

Sec. 5. COMPOSTING STUDY COMMITTEE

(a) On or before July 1, 2009, the agency of natural resources shall reconvene the composting study committee established by No. 130 of the Acts of the 2007 Adj. Sess. (2008) to review the application of Act 250, 10 V.S.A. chapter 151, to composting facilities in the state; to recommend whether certain composting facilities or categories of composting facilities should be exempt from Act 250; and to recommend areas of the state in which a composting facility using post-consumer food residuals or animal mortalities should be prohibited from locating regardless of the size of the facility or whether a facility is otherwise exempt from the requirements of 10 V.S.A. § chapter 151. The committee shall issue a final report of its findings to the house committee on fish, wildlife and water resources, the house and senate committees on natural resources and energy, and the house and senate committees on agriculture by January 15, 2010.

(b) For the purposes of this section, the composting study committee shall consist of the members appointed under the requirement of No. 130 of the Acts of the 2007 Adj. Sess. (2008) and:

"Mr. Speaker:

I vote yes today because Vermonters should know the extent of the marketing money big

Despite this eleventh hour compromise, this bill still puts Vermont in the forefront of states willing to shine the light on the unnecessary 34% of revenues manufacturers put toward pushing their expensive drugs onto Vermonters struggling to afford their life-saving drugs".

Rep. Fagan of Rutland City explained his vote as follows

"Mr. Speaker

This bill, while better than the previous version, still has great possibility to hurt our local business people who appreciate and count upon drug representative business.

Rep. Marek of Newfane explained his vote as follows

"Mr. Speaker:

This compromise bill still represents significant progress toward controlling the adverse

Impact of drug marketing on our state. However, I regret the fact that attaining that compromise required eliminating much needed transparency regarding

exactly how much impact free samples have on prescribing patterns in Vermont.”

Whereas, Canada and the United States enjoy the largest bilateral trading relationship in the world, and

Whereas, the economic health of both nations is closely tied to cross-border travel and trade, and

Whereas, the economic downturn has caused a significant reduction in the cross-border movement of people and goods, and

Whereas, surface transportation trade between the United States and Canada has plummeted a record 34 percent since February 2008, and

Whereas, under the Western Hemisphere Travel Initiative (WHTI), citizens entering or reentering the United States from the Americas are required to have a passport or approved alternative document that denotes citizenship and identity, and

Whereas, the deadline for travelers to comply with the WHTI land and sea border crossing requirements is June 1, 2009, and

Whereas, enhanced driver's licenses (EDLs) have become a preferred means for states situated along the Canadian border and for Canadian provinces to achieve WHTI compliance, and

Whereas, states and provinces have invested significant resources in developing EDL programs, and

Whereas, the process for the U.S. government's formal approval of Canadian provincial EDLs for purposes of entering and leaving the United States has not been clearly articulated, and

Whereas, many Canadian citizens fully expect their EDLs to serve in lieu of passports, and

Whereas, failure by U.S. Customs and Border Protection to accept Canadian provincial EDLs as meeting the requirements of WHTI beginning June 1, 2009 may result in thousands of Canadian citizens being barred entry into the United States, resulting in further severe consequences for travel and trade, now therefore be it

Rules Suspended; Report of Committee of Conference Adopted; Rules Suspended and Bill Messaged to the Senate Forthwith

S. 125

On motion of **Rep. McDonald of Berlin**, the rules were suspended and House bill, entitled

An act relating to expanding the sex offender registry

Appearing on the Calendar for notice, was taken up for immediate consideration.

The Speaker placed before the House the following Committee of Conference report:

To the Senate and House of Representatives:

The Committee of Conference to which were referred the disagreeing votes of the two Houses upon the bill respectfully reported that it has met and considered the same and recommended that the House recede from its proposals of amendment, and that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. COMPLIANCE WITH THE ADAM WALSH CHILD PROTECTION AND SAFETY ACT OF 2006

(a) The Act. The Adam Walsh Child Protection and Safety Act of 2006 was signed by President George W. Bush in 2006. While well-intended, it contains a broad span of provisions that would significantly change state practice related to the registration and management of sex offenders in Vermont in a manner that is inconsistent with widely accepted evidence-based

best practices at a substantial financial cost to the state. In comments directed to the U.S. Department of Justice regarding proposed guidelines to interpret and implement the Act, the National Conference of State Legislatures called the guidelines a “burdensome,” “preemptive,” “unfunded mandate” for the states, requiring every legislature to undertake an extensive review of its laws as compared to the Act and necessitating changes to state policy traditionally within the purview of the states.

(b) No state is in compliance. Due to the complexity and costs associated with the Act, as of February 1, 2009, no state has been certified to be in substantial compliance with the Act. States are required to comply with the Act by July 27, 2009 or lose 10 percent of the state’s federal Byrne/JAG funds, although Vermont has recently received a one-year extension from the Office of Justice Programs’ SMART office, which is responsible for regulations and compliance under the Act.

(c) Constitutional challenges. The Act is currently being challenged on a number of constitutional grounds in both federal and state courts at a substantial cost to many states. In addition, registry requirements and the consequences for failure to comply with them have expanded so significantly in recent years that imposition of such requirements on offenders may now violate the constitutional ban on retroactive punishment.

(d) Risk assessments. Vermont has adopted a practice of assigning offender risk levels through the use of actuarial risk assessment instruments. These instruments use a predetermined range of variables that have high correlation to sexual recidivism such as criminal history, victim profile, and age at time of offense to determine an offender’s potential risk of recidivism.

The Adam Walsh Act mandates an entirely different offense tier structure and demands that risk determination be based solely on an offender’s crime of conviction, not on an actuarial risk assessment score. According to the most recent research, using crime of conviction as the primary method of determining offender risk is a far less reliable predictor of reoffense than is the use of actuarial tools.

(e) Retroactive application and juveniles. Regulations issued by former U.S. Attorney General Alberto Gonzales require states to apply the requirements of the Act retroactively, requiring Vermont to retier all sexual offenders, some of whom are currently beyond their duty to register. The retroactive application also applies to juveniles adjudicated delinquent for certain sexual offenses, even though they are currently not required to be registered under state law. Even though such juveniles were afforded the protections of the juvenile system at the time of their plea, they would now be

subject to a registration term as long as 25 years with no opportunity to petition for relief and be subject to inclusion on the Internet sex offender registry.

Sec. 2. 13 V.S.A. § 2635a is added to read:

§ 2635A. SEX TRAFFICKING OF CHILDREN; SEX TRAFFICKING OF ANY PERSON BY FORCE, FRAUD, OR COERCION

(a) As used in this section:

(1) "Coercion" means:

(A) threats of serious harm to or physical restraint against any person;

(B) any scheme, plan, or pattern intended to cause a person to believe that failure to perform an act would result in serious bodily harm to or physical restraint against any person; or

(C) the abuse or threatened abuse of law or the legal process.

(2) "Commercial sex act" means any sex act on account of which anything of value is promised to, given to, or received by any person.

(3) "Venture" means any group of two or more individuals associated in fact, whether or not a legal entity.

(b) No person shall knowingly:

(1) recruit, entice, harbor, transport, provide, or obtain by any means a person under the age of 18 for the purpose of having the person engage in a commercial sex act;

(2) compel a person through force, fraud, or coercion to engage in a commercial sex act; or

(3) benefit financially or by receiving anything of value from participation in a venture, knowing that force, fraud, or coercion was or will be used to compel any person to engage in a commercial sex act as part of the venture.

(c) A person who violates subsection (b) of this section shall be imprisoned for a term up to and including life or fined not more than \$25,000.00 or both.

(d)(1) A person who is a victim of sex trafficking as defined in this section shall not be found in violation of chapter 59 (lewdness and prostitution) or 63 (obscenity) of this title for any conduct committed as a direct result of the sex trafficking or which benefits a sex trafficker.

(2) If a person who is a victim of sex trafficking as defined in this section is prosecuted for any offense, other than a violation of chapter 59 (lewdness and prostitution) or 63 (obscenity) of this title, which arises out of the sex trafficking or benefits a sex trafficker, the person may raise as an affirmative defense that he or she committed the offense as a result of force, fraud, or coercion by a sex trafficker.

Sec. 3. 13 V.S.A. § 5301(7) is amended to read:

(7) For the purpose of this chapter, "listed crime" means any of the following offenses:

* * *

The executive council shall work with a network coordinator who provides technical assistance and training to recovery centers. The executive council, working with the department of health, shall have oversight of the recovery centers.

(f) Of this appropriation, \$45,000 shall be granted to the Vermont recovery center network. Of the appropriation, \$458,000 is the allocated share of the DETER program for recovery centers and shall be granted to the recovery centers in operation as of June 30, 2008.

(g) It is the intent of the general assembly that Maple Leaf Farm, Serenity House, and Valley Vista will undergo a formal, cost-based rate setting process prior to July 1, 2010. The division of alcohol and drug abuse programs shall report to the joint fiscal committee at its July 2009 meeting with draft rules or a draft procedure for establishing these rates.

(h) The total appropriation reflects a reduction of \$150,000 in treatment services. Prior to taking actions that distribute this savings to providers, the division of alcohol and drug abuse prevention must provide a plan to the joint fiscal committee at the July 2009 meeting for its review and approval.

(i) Of this appropriation, \$500,000 shall be available for operating expenses for a Chittenden County pilot program to unify existing treatment efforts in the county that will demonstrate savings in hospital expenditures related to detoxification and emergency treatment sufficient to offset the initial start-up investment by the end of the second year of operation and savings that exceed 50 percent of the program operation by the end of the third year of operation.

Sec. E.315 Mental health – Vermont state hospital (Sec. B.315, #3150080000)

(a) The community recovery residential program developed under this section shall be consistent with the goals identified in the existing “futures plan.”

Sec. E.316 Department for children and families – administration and support services (Sec. B.316, #3440010000)

(a) Of this appropriation, \$14,000 in general funds shall be provided as a grant to the Vermont Girl Scouts for a program enabling girl scouts and their siblings to visit their mothers in prison.

Sec. E.317 FISCAL YEAR 2010 PAYMENT RATES FOR PRIVATE NONMEDICAL INSTITUTIONS PROVIDING RESIDENTIAL CHILD CARE SERVICES

(a) Notwithstanding any other provisions of law, for state fiscal year 2010, the division of rate setting shall calculate payment rates for private nonmedical institutions (PNMI) providing residential child care services consistent with Sec. B.1104 (AHS Grant Reductions) of this act and as provided for under this section.

(b) General rule. The division of rate setting shall calculate PNMI per-diem rates for state fiscal year 2010 as a percentage of each program's final per diem rate in effect on June 30, 2009. This percentage will equal a number ranging from 96 to 100 percent of each program's final per diem rate in effect on June 30, 2009, depending on funds available as determined by the secretary of human services as provided for in Sec. B.1104 of this act. Each PNMI program per diem rate will be set with the same percentage. The following is the one exception to this general rule:

(1) For programs categorized by the placement authorizing departments as crisis-stabilization programs with typical lengths of stay from 0 to 10 days, rates for state fiscal year 2010 shall be set retroactively as follows:

(i) The allowable budget shall be set by applying the same percentage used in subsection (a) of this section to the final approved budget for the rate year which includes June 30, 2009. The monthly allowable budget shall be the allowable budget divided by 12.

(ii) Within five days of the end of each month in state fiscal year 2010, the program shall submit the prior month's census to the division of rate setting. The per-diem rate shall be set for the prior month by dividing the monthly allowable budget amount by the total number of resident days for the month just ended.

(c) Providers are not required to submit funding applications pursuant to section 3 of the PNMI rate setting rules for state fiscal year 2010.

(d) Rates set for state fiscal year 2010 shall be issued as final. The division shall send notices of each PNMI provider's per diem rate by July 1, 2009.

(e) For state fiscal year 2010, the three-month waiting provision of section 8.1(b) of the PNMI rate setting rules for the submission of a rate adjustment application is waived.

(f) For state fiscal year 2010, approved section 8 rate amounts, excluding financial relief, shall be reduced by the appropriate percentage consistent with the percentage used in calculating rates pursuant to subsection (a) of this section.

(g) The division shall ensure that setting rates of new PNMI residential programs does not disadvantage PNMI residential programs affected by subsection (a) of this section.

Sec. E.318 CHILD CARE ELIGIBILITY AND RATES; PROCESS

(a) It is the intent of the general assembly to address disparities in the child care subsidy program established in subchapter 2 of chapter 35 of Title 33,

both in income eligibility for the program and in child care provider rates. Currently, income eligibility is based on the federal poverty guideline and median income levels from 2000, and child care rates are insufficient for many families, requiring large co-payments or the approval of case-by-case variances.

(b) The purpose of this section is to direct the department to review and create a detailed proposal to reconstruct the current child care provider rate structure during the interim. The proposal would increase the income eligibility amounts to reflect 2009 federal poverty guideline (FPL) income levels while setting the floor for the upper income limit at no less than 200 percent of FPL. This change would increase the current upper income limit for a child care subsidy for a family of four from \$43,747 to \$44,088 and would allow for a higher upper income limit in the future if state funds are available.

(c)(1) The department for children and families shall create a proposal to restructure the child care subsidy rate structure to provide incentives for regulated child care providers to improve quality, reflect increased payments available through pre-kindergarten funding, and allow for a rate structure that is sufficient and not dependent on providing exceptions to existing rates.

(2)(A) The department shall report to the joint fiscal committee no later than its September 2009 meeting with a proposal meeting the intent and purposes of this section and the criteria in this subsection (c).

(B) The department shall also provide a summary of the proposal to the house committee on human services and the senate committee on health and welfare one week prior to the joint fiscal committee. The chairs of the house committee on human services and the senate committee on health and welfare may comment on the proposal to the joint fiscal committee.

(C) The joint fiscal committee may approve, deny, or suggest modifications to the proposal. If the joint fiscal committee suggests modifications, the department may accept the modifications at the next scheduled joint fiscal committee meeting or may revise its proposal for presentation at the next scheduled joint fiscal committee.

(d)(1) The department may simultaneously begin the rulemaking process provided for in chapter 26 of Title 3 to modify the child care subsidy program to conform to the proposal developed under this section. The department shall provide a copy of the draft rule to the joint fiscal committee with its proposal.

(2) Notwithstanding the time limitations in chapter 26 of Title 3 provided for review by the legislative committee on rules (LCAR), the rule modifications provided for in this subsection (d) shall not be approved by

LCAR until and unless the joint fiscal committee has approved the department's proposal as provided for in subsection (c) of this section.

Sec. E.318.1 33 V.S.A. § 3512(b) is amended to read:

(b) The subsidy authorized by this section shall be on a sliding scale basis. The scale shall be established by the commissioner, by rule, and shall bear a reasonable relationship to income and family size. The lower limit of the fee scale shall include families whose gross income is up to and including 100 percent of the federal poverty guidelines. The upper income limit of the fee scale shall be neither less than ~~82.5 percent~~ 200 percent of the federal poverty guidelines nor more than 100 percent of the state median income, adjusted for the size of the family. The scale shall be structured so that it encourages employment.

Sec. E.320 Department for children and families-aid to aged, blind and disabled (Sec. B.320, #3440050000)

(a) Notwithstanding chapter 13 of Title 33, the secretary of human services may reduce the state supplemental payment only by an amount equal to or less than 50 percent of the amount of the cost of living increase provided under the federal Supplemental Security Income (SSI) program. If individuals receiving SSI do not receive a cost of living increase, the secretary shall not reduce the state supplemental payment.

Sec. E.321. Sec. 137 of No. 65 of the Acts of 2007, as amended by Sec. 49 of No. 90 of the Acts of 2008 and Sec. 5.216 of No. 192 of the Acts of 2008 is further amended to read:

Sec. 137. GENERAL ASSISTANCE BENEFITS; FLEXIBILITY PROGRAM

(a) Commencing with state fiscal year 2007, the agency of human services may establish ~~an~~ a housing assistance program within the general assistance program to create flexibility to provide these general assistance benefits. The purpose of the program is to mitigate poverty and serve applicants more effectively than they are currently served with the same amount of general assistance funds. The program shall operate consistent within existing statutes and rules except that it may grant exceptions to this program's eligibility rules and may create programs and services as alternatives to these rules.

~~(e)~~(b) The program may operate in up to 12 districts designated by the secretary of human services. This program will be budget neutral. For each district in which the agency operates the program, it shall establish procedures for evaluating the pilot and its effects. The agency shall report annually to the general assembly on its findings from the programs, its recommendations for

changes in the general assistance program, and a plan for further implementation of the program.

(c) The agency shall continue to engage interested parties, including both statewide organizations and local agencies, in the design, implementation, and evaluation of the general assistance flexibility program.

Sec. E.321.1 HOUSING ASSISTANCE; ARRA FUNDS

(b) In fiscal year 2010, the agency of human services may establish a housing assistance program with homelessness prevention and rapid rehousing program (HPRP) funds from the American Recovery and Reinvestment Act of 2009, Public Law 111-5. HPRP funds shall be granted to direct-service community organizations which demonstrate experience and expertise in serving the homeless or those at risk for homelessness. The funds shall also be granted in accordance with requirements established by the U.S. Department of Housing and Urban Development (HUD).

(c) The agency shall engage interested parties in the design of the program requirements, including a core set of services to be provided; implementation of the program; and evaluation of the program.

(d)(1) The agency shall establish procedures to ensure equitable access to housing assistance provided by direct service community organizations with HPRP funds, in compliance with chapter 139 of Title 9, through a standard application and assessment process.

(2) The agency shall ensure that grantees of these funds provide an appropriate grievance and appeal process for applicants and recipients of the funds, including for expedited appeals.

(e)(1) The agency shall establish reporting procedures for all grantees receiving HPRP funds to provide housing assistance and collect sufficient information to determine that grantees are following all requirements and to evaluate the program's effectiveness

(2) The agency of human services field service directors shall monitor the housing assistance programs provided by direct service community organizations granted HPRP funds and assess the effectiveness of these programs.

Sec. E.500.1 THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009; EDUCATION

(a) The American Recovery and Reinvestment Act of 2009.

(1) The American Recovery and Reinvestment Act of 2009 (ARRA) provides billions of dollars in federal funds to stimulate the economy in the short term and to invest in education and other essential public services necessary to ensure the long-term economic health of the nation.

(2) Four principles guide distribution of ARRA funds:

(A) Spend funds quickly to save and create jobs.

(B) Improve student achievement through school reform.

(C) Ensure transparency, reporting, and accountability.

(D) Invest one-time ARRA funds thoughtfully to minimize unsustainable recurring costs in the future.

(b) Title VIII of the ARRA. In Title VIII, the ARRA appropriates additional funding to supervisory unions and school districts through existing federal programs, such as Title I of the Elementary and Secondary Education Act (Title I) and the Individuals with Disabilities Education Act (IDEA), to enhance and develop educational practices and outcomes for students who are disadvantaged or disabled, to provide supports for the lowest performing schools, and to promote innovation and improvement in education for all students.

The general assembly recognizes that, if it has the capacity, the department of education shall help supervisory unions and school districts to use IDEA, Title I, and other federal stimulus funds, both within and among these entities, in coordinated, fiscally prudent ways that advance the educational purposes of the ARRA. Therefore, it is the intent of the general assembly to ensure that the department has the positions and funding that it needs to help supervisory unions and school districts.
