(B) the amount received from the sale of a motor vehicle last registered in his or her name, the amount not to exceed the ~~average book~~ clean trade-in value of the same make, type, model, and year of manufacture as designated by the manufacturer and as shown in the NADA Official Used Car Guide~~, National Automobile Dealers Association~~ (New England edition), or any comparable publication, provided such sale occurs within three months of the taxable purchase. However, this three-month period shall be extended day-for-day for any time that a member of a guard unit or of the U.S. Armed Forces, as defined in 38 U.S.C. § 101(10), spends outside Vermont due to activation or deployment, and an additional 60 days following the person's return from activation or deployment. Such amount shall be reported on forms supplied by the Commissioner of Motor Vehicles;

Sec. 22. 32 V.S.A. § 8907 is amended to read:

§ 8907. COMMISSIONER, COMPUTATION OF TAXABLE COSTS

(a) The Commissioner may investigate the taxable cost of any motor vehicle transferred subject to the provisions of this chapter. If the motor vehicle is not acquired by purchase in Vermont or is received for an amount which does not represent actual value, or if no tax form is filed or it appears to the Commissioner that a tax form contains fraudulent or incorrect information, the Commissioner may, in his or her discretion, fix the taxable cost of the motor vehicle at the ~~average book~~ clean trade-in value of vehicles of the same make, type, model, and year of manufacture as designated by the manufacturer, as shown in the NADA Official Used Car Guide~~, National Automobile Dealers Association~~ (New England Edition) or any comparable publication, less the lease end value of any leased vehicle. The Commissioner may compute and

assess the tax due thereon, and notify the purchaser thereof forthwith by certified mail, and the purchaser shall remit the same within 15 days thereafter.

* * *

Sec. 23. MOTOR VEHICLE PURCHASE AND USE TAX; EXTENSION OF THREE-MONTH PERIOD TO REDUCE TAXABLE COST

(a) Notwithstanding 32 V.S.A. § 8902(5)(B), the three-month limitation on the period in which to reduce the taxable cost of a motor vehicle by the sale of a previously owned vehicle shall not apply in the case of vehicles sold to the manufacturer pursuant to buyback agreement under a Volkswagen, Audi, or Porsche diesel engine defeat device settlement or judgment, if the vehicle is sold to the manufacturer:

(1) on or before November 10, 2017, in the case of 2.0 liter diesel engine Volkswagens and Audis; or

(2) on or before one year after buybacks commence under the 3.0 liter diesel engine class action settlement for Volkswagens, Audis, and Porsches.

(b) If a person paid a purchase and use tax in excess of the amount that would have been required if this section had been in effect at the time of the tax payment, the Commissioner of Motor Vehicles, upon application, shall issue the person a refund in accordance with this section.

Sec. 24. VERMONT STRONG MOTOR VEHICLE PLATES

(a) In 2012 Acts and Resolves No. 71, Sec. 1, as amended by 2012 Acts and Resolves No. 143, Sec. 13, the General Assembly authorized the Department of Motor Vehicles to distribute "Vermont Strong" commemorative plates and authorized operators of certain Vermont-registered vehicles to display the commemorative plates over the regular front registration plates of such vehicles until June 30, 2014. In 2014 Acts and Resolves No. 189, Sec. 26, the authorized display period was extended to June 30, 2016.

(b) Through an executive order issued on June 2, 2016, No. 3–74, the Governor ordered and directed that the Commissioner of Motor Vehicles continue to permit Vermonters to display Vermont Strong plates on the front of eligible vehicles and that Vermont law enforcement officers refrain from ticketing or otherwise penalizing any Vermonter for displaying a Vermont Strong plate on eligible vehicles "until the General Assembly next has the opportunity to consider and clarify the duration of Vermont Strong Commemorative License Plates."

(c) Under 23 V.S.A. § 511(a), "A motor vehicle operated on any highway shall have displayed in a conspicuous place either one or two number plates as

the Commissioner may require." The Commissioner has implemented this authority through a regulation, CVR 14-050-025, which states, "Two registration plates are issued to and must be displayed by all registered vehicles" with the exception of certain listed vehicles. The listed exceptions do not include pleasure cars or motor trucks, which therefore are required to display two registration plates unless otherwise provided by law.

(d) This subsection supersedes Executive Order 3–74. The display of Vermont Strong commemorative plates in place of front registration plates no longer is authorized. On and after September 1, 2017, the Commissioner of Motor Vehicles and law enforcement officers shall enforce the provisions of 23 V.S.A. § 511(a) and CVR 14-050-025 that require the display of two registration plates on pleasure cars and on motor trucks. Prior to September 1, 2017, the Commissioner shall take measures to raise public awareness that the display of Vermont Strong commemorative plates in place of front registration plates no longer is authorized.

Joint resolution authorizing the Commissioner of Forests, Parks and Recreation to amend conservation easements related to the former Hancock Lands and adjacent Averill Inholdings in Essex County and to sell the Bertha Tract in Mendon and the Burch Tract in Killington to the Trust for Public Land

Rep. Belaski of Windsor, for the Committee on Corrections and Institutions**,** recommends the resolution be amended by striking all after the enacting clause and inserting in lieu thereof the following:

that it has considered the same and recommends that the House propose to the Senate that the resolution be amended by striking out the resolution in its entirety and inserting in lieu thereof the following:

Joint resolution authorizing the Commissioner of Forest, Parks, and Recreation to amend conservation easements related to the former Hancock Lands and adjacent Averill Inholdings in Essex County, to sell the Bertha Tract in Mendon and the Burch Tract in Killington to the Trust for Public Lands, to authorize the Commissioner to amend the Department of Forests, Parks and Recreation's existing lease with the Smuggler's Notch Management Company Ltd. and to authorize the Department to enter into a land exchange with the Smuggler's Notch Management Company Ltd.

Whereas, in 1996, the Department of Forests, Parks and Recreation acquired from the John Hancock Mutual Life Insurance Company a conservation easement for certain lands (known as the Hancock Lands) in Warren's Gore, and separately in 2005, the Department acquired a second conservation easement for inholdings within the former Hancock Lands in the town of Averill, and

Whereas, these easements envisioned that the covered lands could be subdivided and would be dedicated primarily to conservation purposes but commercial forestry management, including maple sugaring and syrup activities, were permissible, and

Whereas, the Department has now determined that the language in both easements is ambiguous concerning the construction of forestry management-related structures such as a sugarhouse, and

Whereas, upon consultation with the U.S. Forest Service, whose Forest Legacy Program facilitated the Department's acquisition of the easements, the Department has determined the easements should be amended with clarifying language subject to the approval of the owners of the parcels that resulted from the subdivision, and

Whereas, the Department owns the Bertha Tract in Mendon and the adjacent Burch Tract in Killington, both of which contain Green Mountain Club-held easements for segments of the Long Trail, and

Whereas, the Department proposes to sell these tracts to the Trust for Public Land in anticipation of their eventual transfer to the U.S. Forest Service for inclusion in the Green Mountain National Forest at which time the Green Mountain Club's easements would terminate and the covered Long Trail segments would be subject to federal protection, and

Whereas, in 1987, the Department entered into a lease with the Smuggler's Notch Management Company Ltd. (Smuggler's Notch), terminating in 2058

and renewable in ten-year increments, in which the Department leases 2,000 acres (the boundaries having last been amended in 2005) in the Mt. Mansfield State Forest to Smuggler's Notch for use as a ski resort, and

Whereas, under the terms of the lease, Smuggler's Notch's Madonna-Sterling base lodge (and all other buildings and structures on the leasehold property) have remained State property, and

Whereas, the 45-year-old lodge is in need of major improvements and the current lease makes it economically difficult for Smuggler's Notch to finance these improvements, and

Whereas, Smuggler's Notch proposes to assume ownership of the base lodge and two acres of surrounding land contained in the leasehold and in exchange Smuggler's Notch proposes: (i) to relinquish its leasehold interest in approximately 330 acres of land near the summit of Whiteface Mountain, and (ii) to convey a right-of-way to the State across a separate parcel of land that Smuggler's Notch owns in the Mt. Mansfield State Forest, and

Whereas, Smuggler's Notch would be responsible for property taxes for the base lodge and the two-acre parcel and would continue to make payments in lieu of base lodge rent, using the formula now in place, and

Whereas, Smuggler's Notch will work with the Department to update the lease, and

Whereas, pursuant to the authority granted in 10 V.S.A. § 2606(b), the Commissioner of Forests, Parks and Recreation believes that these land transactions are in the best interest of the State, *now therefore be it*

Resolved by the Senate and House of Representatives:

That the General Assembly authorizes the Commissioner of Forests, Parks and Recreation:

First: To amend certain terms and conditions of the conservation easements that the Department acquired with federal Forest Legacy funding: (i) on approximately 31,000 acres (known as the Hancock Lands) from the John Hancock Mutual Life Insurance Company on December 17, 1996; and (ii) on 210 acres (known as the Averill Inholdings) from the Trust for Public Land on December 7, 2005 in order to clarify the allowed uses for forestry-management-related structures and facilities, including their associated infrastructure and utilities.

Second: To sell to the Trust for Public Land two tracts, with the goal that the Trust will subsequently convey these tracts to the U.S. Forest Service for inclusion in the Green Mountain National Forest: (i) an approximately 113-acre tract in the town of Mendon (known as the Bertha Tract), and (ii) a 58-acre tract in the town of Killington (known as the Burch Tract), both of

which the Department acquired from the Green Mountain Club on March 31, 2003 and that the sale shall be pursuant to the terms of a mutually satisfactory purchase and sales agreement. The selling price shall be based on the tracts' fair market value that an appraisal shall determine. The sale of these tracts is contingent on support from the towns of Mendon and Killington. The proceeds of the sale shall be deposited in the Agency of Natural Resources Land Acquisition Fund to be used to acquire additional properties for Long Trail protection purposes.

Third: To amend the lease between the Department and Smuggler's Notch to:

(1) Revise the leasehold boundary to conform to the land exchange authorized in the fourth provision of this resolution.

(2) Include new lease provisions: (i) authorizing the Department to add new terms to reflect new laws, administrative rules, and policies should the leasehold be sold, including the sale of all or substantially all of the lessee's assets; and (ii) clarifying the various types of revenue generated within the ski leasehold area that must be incorporated into the ski lease fee payment but not changing the underlying formula.

(3) Update the indemnification and liability language to meet current State requirements.

(4) Clarify public access rights to the leasehold land, including Smuggler's Notch's right to restrict access for safety reasons.

Fourth: To enter into a land exchange with Smuggler's Notch that provides for:

(1) The Department to convey to Smuggler's Notch the base lodge and approximately two acres of surrounding land located within the Smuggler's Notch leasehold.

(2) Smuggler's Notch's relinquishing to the State 330 acres more or less of land within the leasehold located below the summit of Whiteface Mountain.

(3) Smuggler's Notch's conveying to the Department, for management purposes in the Mt. Mansfield State Forest, a right-of-way, for a route to be mutually agreed upon, through a separate parcel of land that Smuggler's Notch owns on the west side of Route 108.

(4) That the proposed exchanges listed in subdivisions (1)–(3) of this provision of the resolution are contingent on the approval of the Town of Cambridge and that Smuggler's Notch's leasehold interest in the 330 more or less acres to be removed from the lease be equal or greater than the appraised value of the base lodge and two acres of surrounding land.

(5) That Smuggler's Notch, upon the conveyance of the base lodge and the surrounding approximately two acres to its ownership, shall continue to pay the Department 2.5 percent of all revenue generated at the base lodge for as long as the lease shall remain in effect, *and be it further*

Resolved: That the Secretary of State be directed to send a copy of this resolution to the Commissioner of Forests, Parks and Recreation.

(1) a judge or Justice appointed by the Chief Superior Judge;

(2) a member appointed by the Commissioner for Children and Families;

(3) an attorney appointed by the Director of the Office of Child Support;

(4) two members appointed by the Vermont Bar Association who are attorneys experienced in parentage issues related to reproductive technology and surrogacy; and

(5) one member who is a medical professional with expertise in reproductive technology, who is appointed by the other members of the Committee at its first meeting.

(c) Powers and duties. The Committee shall study how Vermont's parentage laws should be updated to address various issues that have come before the courts in recent years and issues that have arisen and been addressed in other New England states on these matters, including assisted reproductive technology and de facto parentage.

(d) Report. On or before October 1, 2017, the Committee shall submit a written report to the House and Senate Committees on Judiciary, the Senate Committee on Health and Welfare, and the House Committee on Human Services with its findings and recommendations for legislative action.

Sec. 3. EFFECTIVE DATE
